# DIGBY

## Refined looks in a simple frame.

Slim tapered arms and a tightly padded back make Digby feel roomy even in smaller areas. Its exclamation-point arm is finished with a tall tapered leg to add visual height, and the tight back enhances the architectural feel of this style while offering surprising comfort.

Our products are built on beliefs and values that evolved through over a century of manufacturing. We construct our furniture with care and precision, and we hold ourselves accountable for every detail.

We believe the end result makes the extra effort worth the many years it lasts.
